II. Adding a new item	. 1
III. Editing and deleting items	. 2
IV. Adding a new email address	. 3
V. Adding a new category	. 4
VI. Search	. 4
VII. Sorting	. 5

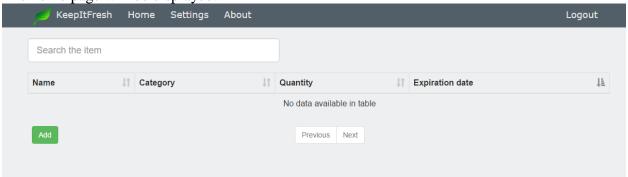

I. Log in

In order to sign in to the KeepItFresh application type your username and password and press the "Login" button.

Login with Username and Password

User:	
Password:	
Login	

The home page will be displayed:

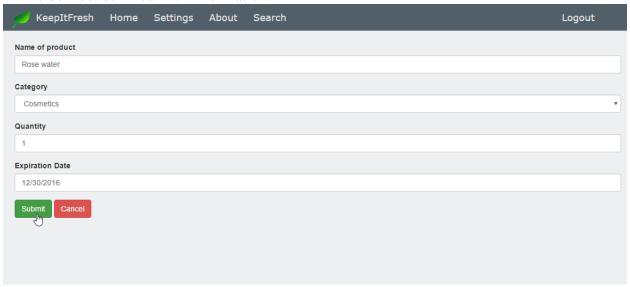

II. Adding a new item

Step 1: Click the "Add" button.

- Step 2: Enter a name of a new product.
- Step 3: Pick a category from the drop down list.
- Step 4: Select quantity.
- Step 5: Enter the expiration date of the product.

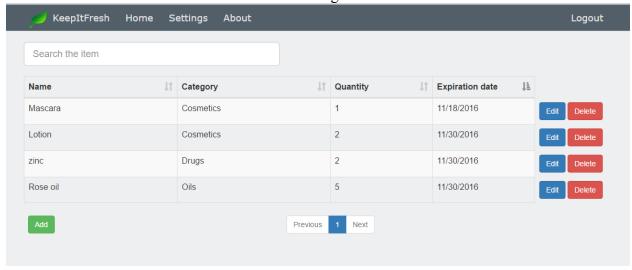

All fields must be filled with information.

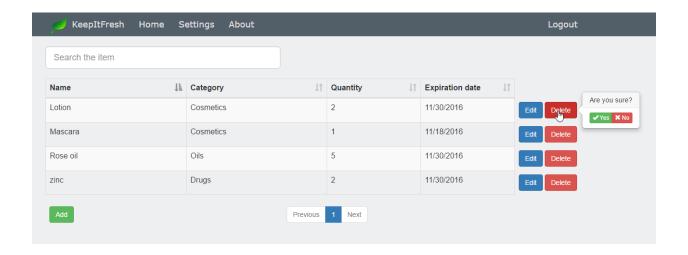

Step 6: Click the "Submit" button to save a new item. Click "Cancel" if you don't want to save information about the new item.

III. Editing and deleting items

There are the "Edit" and "Delete" buttons on the right side of each item.

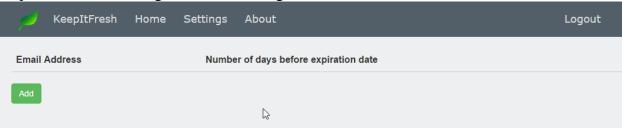

In order to perform those operations, click the respective button.

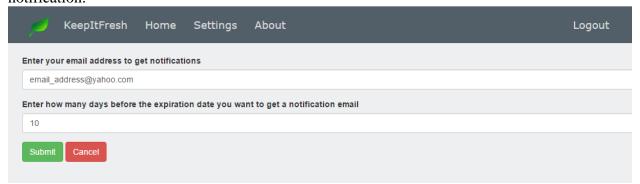

IV. Adding a new email address

Step 1: Click the "Settings" link in the navigation bar.

Step 2: Click the "Add" button under the emails table.

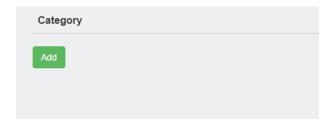

Step 3: Enter your email address and the number of days in advance you want to get a notification.

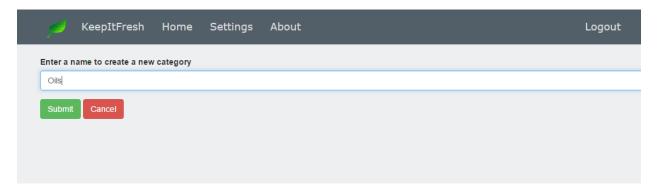

Step 4: Press "Submit" in order to save information. There is the "Cancel" button to go back.

V. Adding a new category

- Step 1: Click the "Settings" link in the navigation bar.
- Step 2: Click the "Add" button under the categories table.

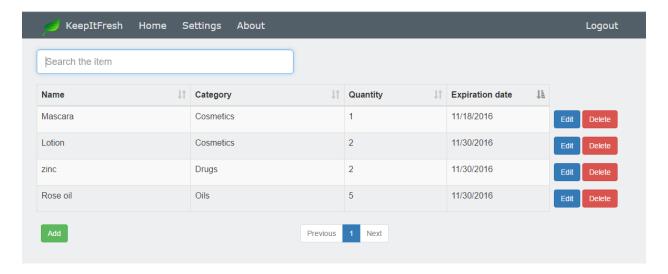

Step 3: Enter the name of a new category and click "Submit".

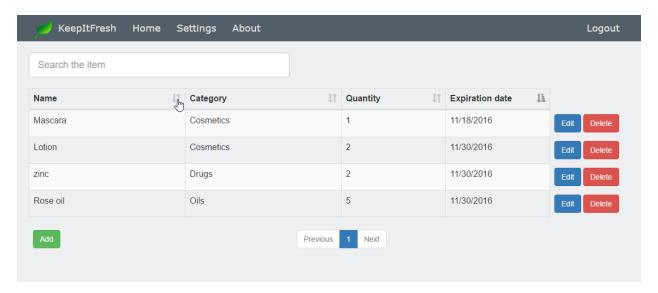

VI. Search

Enter a name (or a portion of it) of an item in the search field.

VII. Sorting

Click on the arrow in the header of that column to sort a column.

After sorting, the application will sort the name by the letter A-Z:
